## Features and Benefits

Wrap around Design	Slyish, wrap around design which promotes wear in any work environment
Light weight	Ultra light weight construction for comfort during extended periods of wear
Medium Impact and lens	Durable lenses are robust, strong & suitable for indoor (clear) and outdoor use. Anti-scratch lens coating improves longevity of lens in dust environments
99.9% UV Protection	Approved to AS/NZS 1337 ensures consistent quality and performance
Availability	Breeze specs are available in Clear, Smoke Blue-Mirror, Silver Mirror and Amber finish

## Care and Maintenance

- If the lens becomes scratched or pitted it should be replaced.
- Avoid exposure or contact of the lens with vapour or liquids which may cause surface crazing and reduce the impact resistance.
- Inspect and clean the spectacles regularly and replace if broken or damaged.
- Thoroughly clean all surfaces with lens cleaner.
- Do not clean spectacle with solvents. Air dry or pat dry with clean, soft cloth or tissue.

## Industry Applications

There are many industries where Breeze Specs would be a welcome asset:

- Mining
- Construction
- Engineering
- Fabrication
